## EXTRACURRICULAR ACTIVITY

### Anti-Corruption Team Member

Addis Ababa Science and Technology University

01/2019 – 07/2023

Addis Ababa, Ethiopia

Anti-corruption team member with a proven track record of success in preventing and detecting corruption in a university setting. Demonstrated ability to work effectively with a variety of stakeholders, including students, faculty, staff, and administrators. Skilled in research, investigation, and reporting.

## 👤 PROFILE

As an upcoming Electrical and Computer Engineering graduate, I am highly motivated and ready to apply my knowledge and experience in the challenging professional arena. With strong communication and organizational skills, I am a dedicated team player seeking an intellectually stimulating opportunity to grow personally and professionally. Skilled in handling demanding tasks efficiently and adapting to dynamic environments, my ultimate goal is to secure a coveted position that allows me to contribute my expertise and make a significant impact in a forward-thinking company

## 🎓 EDUCATION

### ELECTRICAL ENGINEERING(BSc. DEGREE),

Addis Ababa Science and Technology University

01/2018 – 07/2023 | Addis Ababa, Ethiopia

Obtained a Bachelor's degree in Electrical and Computer Engineering from Addis Ababa Science and Technology University, completing a rigorous five-year program. Successfully completed over 60 courses, gaining in-depth knowledge and expertise in areas such as circuit design, digital systems, signal processing, programming, and network engineering. Equipped with a strong foundation in both electrical and computer engineering disciplines to tackle complex technological challenges.

## 🧰 PROFESSIONAL EXPERIENCE

### Ethio Engineering Group(METEC)

Intern

09/2022 – 01/2023 | Addis Ababa, Ethiopia

Interning at the Ethio Engineering Group was an incredibly rewarding experience. My time there enabled me to gain a lot of insight into the workings of a professional engineering office and practice working with a team of talented engineers.

### **Volunteer and Leader**

Metehara youth and women bureau  
10/2019 – 12/2019 | Metehara, Ethiopia  
Volunteering: A meaningful way to give back to the community, offering assistance through local projects like delivering food and teaching during summer. Connecting with like-minded individuals who share the joy of serving, it fills me with pride and happiness, making a positive impact on others' lives.

### **Class Representative**

Addis Ababa Science and Technology University  
01/2019 – 06/2019  
Addis Ababa, Ethiopia  
Class Representative with a proven track record of success in representing the interests of students and resolving issues. Demonstrated ability to work effectively with a variety of stakeholders, including teachers, and college heads. Skilled in public speaking, problem-solving, and conflict resolution.
